### Label design and layout questions:

- Do you have the artwork or image in JPEG or Bitmap format?
- Is the image or logo copyright protected? Can you use it?
- If you request help with your image, there is a one time set up fee.
- What type of font, font size, and font color do you want?
- What message do you want on your label? I reserve the right to decline an order for political and / or other messages. When designing your label, please keep in mind that the address labels are about 1" x 2 1/2" in size.
- Order will be printed and shipped **after** your payment is received.
- A portion of the proceeds will be donated to our local food bank or another charity if you choose.
